At least that’s what Katie, the designer behind the *Sweet Emma Jean* Pattern Company and Etsy Shop says of her fun *Felt Ice Cream Set*. “DIY pretend play food made from felt is a great choice for eco-conscious families. No

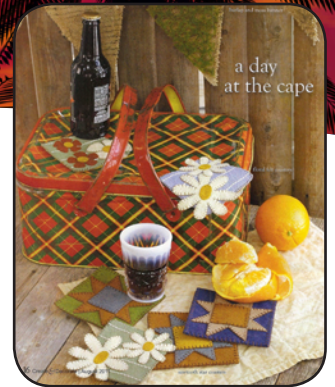

worries about lead paint... and they won’t ding up your coffee table like the wooden food sets do!” This item is a full-color 20 page PDF booklet to make a complete felt ice cream set perfect for your little one to play with. Look closely at the orange sherbet, it’s new WoolFelt® color *Terracotta Mist*. Order at www.sweetemmajeans.com

Here’s another sweet ice cream treat for you made from felt. Keep your little one busy on long trips with this *WoolFelt® Quiet Book* featured in *Crafts ‘n Things* August issue (pg 66-67). The design and photography are by *April Moffatt*. Our *Pistachio Ice Cream* WoolFelt® color was never put to better use than as a scoop on this cone. Yummy!
